What is OSAP? Ontario Student Assistance program

OSAP is a government approved loan. An on-line application to OSAP must be done in the spring once you have accepted a post-secondary offer. The original loan must be repaid, but the interest on the loan and repayment doesn't begin until after you stop attending the post-secondary institution.

General information can be obtained at <http://osap.gov.on.ca>

Once you have applied for OSAP, approach the Financial Assistance office on-campus to ask about bursaries based on financial need and to investigate on-campus part-time jobs.
