

Parent/Guardian/Student Opt-out Form of eLearning Graduation Requirement

Dear Parent/Guardian:

Students are now required to earn two eLearning credits to graduate from secondary school beginning with every student who entered Grade 9 in the 2020-21 school year.

On-line learning refers to eLearning courses that do not require students to be physically present with one another or with their teacher in school. Parents/Guardians may choose to opt their child out of the mandatory eLearning courses required for graduation.

This opt-out form is included as part of the annual course selection process for all Catholic secondary school students. This opt-out form may be distributed electronically or in print; however, a print copy of all opt-out forms must be returned to the student's school and will be included in the student's OSR (Ontario Student Record). The form **does not** have to be returned to the school if your child is choosing to fulfill the two credit eLearning course graduation requirement.
