

AN OFFERING TO THE PERSECUTED

by Justin Andoga, 2014

Dear God,
Deliver Your people from persecution,
from the violent and extreme,
save them from those who do not follow Your ways.
May the cruel find hope and mercy by Your will,
guide them on the right path to correct their ways.
May the innocent be protected by Your people,
and guided by Your light of hope.
May these people understand that You have a plan for them,
and that by their faith,
they will be saved by Your will.
We pray to You that these people be saved,
and that the corrupted be purified for peace.
Amen
