

## THE ONE WHO LEADS US

By Olivia Leong, 2015

Dear God, I pray we'll be alright  
And You'll watch us wherever we go  
I thank You for the life You have given me  
The lessons You have taught me  
And the lessons You have yet to teach me  
You've given me strength in times of weakness  
And comfort in times of sorrow  
Help us to grow in faith and inspire us to do good  
Each path we take in life, You are there showing us the way  
Each choice we make, You are there through our conscience  
Lord, continue to guide us with Your everlasting grace  
And protect us with Your love.  
Amen.
