

## **HANDS OF COLOUR**

by DeAnna Dillion, 2016

Dear God,  
Your people, ever so diverse,  
Have been truly hurt by racism.  
Help us to be open to our differences,  
And to learn to accept that everyone is different.  
You are our guide,  
And we need You to help us.  
Show us how to heal together,  
So our hearts can truly love everyone.  
We need You to help us to join our hands  
To love and accept.  
Amen
