

OUT OF DARKNESS

by Hannah Fritchley, 2016

Dear God,
In times of sadness, we need You.
In times of darkness, we need You.
In times of loneliness, we need You.
For You are our light on our paths.
Help us on our way out of the darkness.
Help us through the hard times we face.
Help us back into the light,
For You are our guide back to the right road.
Help us understand that this is Your plan for us.
Help us understand that You would never desert us.
Help us understand to love ourselves again.
For You understand us the most.
Lead us to the light.
Lead us to happiness.
Lead us to You,
For You are our heavenly Father.
Amen
