

PRAYER FOR ENVIRONMENTAL ACTIVISM

By Anthony Salemi, 2016

God, despite Your guidance, there continues to be corruption and greed in the world. Many continue to value material and personal gains over the needs of others, and the environment. They see the environment, and the gifts You have granted us, only as a means to become rich and powerful. They do not see the world as a gift from You Lord, but rather as a place to exploit.

However, there are many who do not see the world in this way; they recognize the world as a place that must be protected from greed and mistreatment. These activists stand up for the environment and seek to shield the world from further harm.

Lord, help those who protest against mistreatment of the environment. Give them the strength and courage to fight for what is right to cause real change in the world. Let them not be afraid of the consequences of voicing disapproval for what goes against what is good. Allow them to be successful in their dissent and make the world a better place not only for ourselves, but for all generations to come. In Your name we pray.

Amen
