

St. Peter's Hospital Fire Prayer

By Tomas D. Pettorossi, 2017

Dear God,

Please watch over the 228 residents that were affected by the fire at St. Peter's Hospital in Hamilton. Please protect the elderly, frail and chronically ill patients of this facility. Please provide the families of these patients with strength, guidance, patience and hope. Please hear our prayers to help, especially those who have been displaced by the fire. Keep them safe and may they return quickly to their home. Lastly, please keep the hospital staff, paramedics and fire fighters who assisted the elderly safe.

Amen
