

Home to Peace

By Justice-Mya Finlayson, 2018

Dear Lord,
please protect this man as he is alone
Please keep him in good health and return him to his family
Put his family at ease, and give them peace
Give this man strength, and remind him of his loved ones
Help this man find his way home, as he may be lost
Give him a clear path, no problems on his way
If he is in trouble, guide him
Keep with him, let everything turn out right
Give everyone comfort, and let them know he is safe

Amen
