

Awe of God

By Kevin Vincent, 2019

O'God,
please strengthen and guide us in Your word.
Help us follow the right path
and to not stray far from it.
Please show us the way because at times
we forget how strong Your love is for us.
Even after sin, and sin again, You continue to love us.
You sacrificed Your only Son for us,
and gave us everything we have,
but we still are greedy and jealous at times.
Help us to love one another as You have loved us.
Please help us to obey our parents, and to respect them.
Let us not take them for granted.
Help us to stop making foolish decisions
and to do what is right.
Let us understand the consequences before they happen.
We do everything in Your name,

Amen.
