

Complete Trust in God for the Sick and Suffering By Madona Gayed, 2020

Almighty God and Father,
the healer of our souls and bodies,
You sent Jesus Christ, Your only Son to
heal the sick, and to save us from death.
Please save us from the dangers of this
pandemic also, as we know that only You
are capable.

It is difficult for us to define, with our diverse
views on matters, what would be in the interest of these patients.
Therefore, we place our trust in You,
that You will do what is best for them, regardless of the hospitals' decisions.
In total faith and submission,
we leave the matter of healing in Your hands since You know what will benefit them.
We recognize that You love us all deeply,
and that You care for our earthly and eternal lives,
which makes us trust Your judgement during these difficult times.
We know that You have raised the dead by Your word,
and healed the leprous man according to Your own will.
Likewise, also take away the sickness from the bodies of those fighting any disease,
and especially,
those who risk being deprived of treatment, give them renewed life.
Please God,
heal all their pain.
Put an end to their sufferings.
Save them from their illnesses and
comfort them and their families in these times of uncertainty.
Protect them and their families.
Give them the faith and hope to seek You.
Heal their physiological and psychological sufferings.
Please use the physicians' hands in healing of all those who need healing,
we ask this in the name of Jesus,

Amen.
