

A Covid-19 Safe Halloween Prayer

By Abigale Tozer, 2020

Dear God,

Please let us be safe this Halloween during the pandemic,
and help us to have fun as we are dressing up in our costumes and collecting
candy.

I wish we were able to go around with friends and scare them,
but unfortunately, this year is different.

Let us also pray not just about Halloween, but for the cases of COVID-19 to
decrease.

Lord, help us to also pray for and help the less fortunate during these troubling
times, and don't let us lose sight of this pandemic, and that it is not over.

Keeping our special intentions in our hearts,

let's pray that whatever troubles our brothers and sisters are going through,
they will get through it, without heartbreak and sorrow.

Amen
